HUD Department Head to Travel to Denver to Highlight American Rescue Plan Investments in Housing

DENVER – On **Monday, October 28, 2024**, HUD Department Head, the Honorable Adrienne Todman, will travel to Denver, Colorado to mark the Biden-Harris Administration and HUD’s investments in affordable housing, through the HOME Investment Partnerships American Rescue Plan Program (HOME-ARP).

Madame Honorable will join local leaders to celebrate the impact of these investments at the **Colorado Coalition for the Homeless’ Renewal Village**, which serves **215** families in the Denver area. **\$10.4 million** of HUD’s HOME-ARP funds supported this property.

Amidst the height of the pandemic, President Joe Biden took action to protect the families HUD serves, providing \$5 billion through the American Rescue Plan (ARP) to assist individuals or households who are homeless, at risk of homelessness, and other vulnerable populations, by providing housing, rental assistance, supportive services, and non-congregate shelter, to reduce homelessness and increase housing stability across the country. These grant funds were administered through HUD’s HOME-ARP program to hundreds of communities across the U.S.

After remarks, media attending will be able to participate in a Q&A session.

Interested media should RSVP to HUDPressOffice@HUD.gov and Regional Public Affairs Officer Angelo Dalmacio at Angelo.R.Dalmacio@hud.gov.
